The Innes Carma Tours Director and Tour Guide – Tom Innes

Born and raised in Fife, Tom left Scotland at the age of 28 and returned after 16 years having spent time working in England, France, the Netherlands, Switzerland, Norway and Ireland. He moved to Aberdeen in 2011 and 3 years later to Aboyne on Royal Deeside, having visited the area on numerous occasions when growing up.

After many years working as a Chartered Engineer, in 2018, Tom's lifelong passion for Scottish scenery, history and culture provided the inspiration for establishing a Tour Guide company.

Tom has a University of Aberdeen Certificate in North-East Scotland: History, Landscape, Culture and Economy.

“My aim is not only to show you the best sights in North East Scotland but also to take you to places that are less well known. I will leave you more informed on the history and culture of the area, however the most important aspect is that you have fun along the way!”
